

# Smallwood CE Primary Academy Parents' and Carers' Survey 2023

- This document presents the results of our latest Annual Survey of Parent/ Carer Views. The Survey was carried out in March 2023.
  - This survey, along with other feedback, will help to shape the ongoing development of the school.
    - Thank you to all parents who completed our survey.

"Children and staff always seem happy."

#### "It's great"

"Each child is loved and cared for."

"It has been the natural school of choice since 2004! No reason to change!"

"We chose Smallwood many years ago and wouldn't go anywhere else!"

"Small, friendly, family environment!"

"Professional but friendly approach to education."

"We chose Smallwood as the leadership, then and now, was brilliant."

"Sibling was so happy here, it was a no-brainer."

"We loved the feel of the school when we came to look around and all traditions. We couldn't be happier."

"It felt like a second home and safe."

"We were new to the area but even if we had a choice of all Congleton schools, we couldn't have picked a better school."

"Children's welfare is a big priority with the school."

"We chose Smallwood because it was clearly caring and nurturing where children can thrive and have lots of opportunities."

# 1. Overall Results of the Survey

\*83 families completed the Survey.

2023	39= 47.0%	18= 21.7%	2= 2.4%		24= 28.9%	68.7%

It is worth noting that only 2.4% of all parents disagree with this, which means that – potentially – 97.6% agree! The reason the 'Agree' figure is 68.7% is because our newer families simply don't know enough about the measures we take to promote an Anti-Bullying message, and the tangible and effective activities and strategies in place to ensure that the children understand how important it is to be kind and caring, and what to do if there is any sign of bullying.

## 3. <u>Parent & Carer responses to the question: 'What would you like to see Smallwood</u> <u>developing next?</u>

Comment from Parents/ Carers	Our Response
More sport/PE	We have had considerable success with our Sports teams in various inter-school leagues and tournaments, this

academic year. We have introduced the daily mile first thing in the morning and will also look at more after-school clubs with a sports/active focus. We are also looking at further enhancing our PE curriculum.Better discipline for disruptive pupilsFortunately, this is rare at Smallwood. Our Behaviour Curriculum is flexible and we are always looking at ways of supporting children who may be dysregulated. We celebrate the positives and focus on this. However, there are sanctions in place for pupils that do not follow our expectations. Behaviour Curriculum: https://www.smallwood.cheshire.sch.uk/serve_file/793860 4More focus on IT/techThis is most certainly an area that we will continue to invest in. We have upgraded all PCs in every classroom, allocated laptops to each class and are about to invest in new digital screens to replace all the smart/whiteboards.More communication/inclusivi ty for working mums and dadsWe have refined our communication with the use of Dojo and there is a substantial amount of information that is sent out to parents on this platform as well as via email. Our website calendar is kept up-to-date, detailed curriculum information is available under the "Curriculum" tab along with Knowledge Organisers for each term. We have a termly "Information Session" for parents at the beginning of each term where we share the learning that will take places, events coming up and any other important information. The whole-school newsletter is published fortnightly and, at the end of the opposite week, each class steacher publishes a round-up on their Class Story page on Dojo. We have tried putting meetings/events later in the evenings to accommodate working parents but uptake has been low. 	We are very lucky to have the use of the Village Hall and we cannot, and will not, be policing it - we are relying on
	we cannot, and will not, be policing it - we are relying on

	you, our parents, to use it in a sensible and courteous manner.
	We could look at a staggered end to the day but it would
	have to be staggered later, rather than earlier. We can
	bring this up as an agenda item for the Parents' Council
	once again but changing the school day would need
	consultation with all stakeholders - staff, parents,
	children, governors (Directors), etc.
	It has also become apparent that some cars are still
	parking on the corner of Church Lane/School Lane. This
	has caused some very near-misses as others having been
	pulling out of the junction.
	We are very proud of our relationships with the community
	and its members and we all have a part to play in that.
Continue the 7 classes	This is absolutely our goal. We do, however, need to
	maintain our annual intake of 25 in each cohort to be able
	to maintain this and to have at, or around, 175 on roll. Most
	primary schools with a class per year would have around 30
	in each class and aiming for 210 on roll. This has
	contributed to other pressures elsewhere, such as the
	parking. However, the benefits in being able to overhaul
	our curriculum for a single-age class structure far
	outweighs some of those disadvantages.
More trips out	We would love being able to take each class on a trip every
	term and residential visits from Year 2 through to Year 6
	each year. However, we are very mindful of the costs of
	these and the pressure this would put on some of our
	families. We are looking at getting a balance over the year,
	for each year group and would welcome further feedback
	on this.
Systems and	This is one of our priorities on the administration side of
procedures improved	the school and we're hoping to be able to communicate
around payments	something with you in the very near future.
More stretch for	We have overhauled our curriculum from this academic
academically able	year with far higher expectations, broader and more
children	balanced with a focus on depth of learning. Curriculum
	overviews can be found here:

Larger outdoor play	We would very much like to enhance our outdoor areas and
area	expand the amount of space we have. We have some
	ambitious plans being drawn up in the hope of applying for
	grant funding. We will do everything we can, in the
	meantime, to make sure that the children have enough
	space and opportunity at playtimes and lunchtimes.
