1. Aims

This policy aims to:

- **Provide background information** about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out **how the school will make decisions** on pupil premium spending
- **Summarise the roles and responsibilities of those involved** in managing the pupil premium in school

Smallwood CE Primary Academy is committed to providing the best possible education for every individual pupil. We have high aspirations and expectations for all of our pupils and we believe that no child should be left behind. This includes making appropriate provision for pupils who belong to vulnerable groups including those who may be socially disadvantaged. We believe that it is not background that is important but a child's passion and thirst for knowledge, and dedication and commitment to learning that make the difference between success and failure. Consequently, we are determined to ensure that all of our pupils are given every opportunity to realise their potential.

2. Legislation and guidance

This policy is based on the [pupil premium allocations and conditions of grant guidance 2022 to 2023](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

- Identifying need - Staff will assess the progress of PP pupils regularly. Pupils will also be consulted and asked how they feel they are progressing and if there are any areas in which they feel need additional support.
- Identifying barriers to learning - We recognise that pupils can experience many barriers to their learning and that these barriers can be long term or of a more short term nature. We believe that it is vital that these barriers are identified and addressed in order for pupils to achieve their maximum potential.
- Use of data

The DfE says your activities must be those that:

- Support the quality of teaching, such as staff professional development;
- Provide targeted academic support, such as tutoring; and
- Tackle non-academic barriers to academic success, such as attendance, behaviour and social and emotional support

Our use of the pupil premium and activities align with the DfE's 'menu of approaches'.

- Consider the context of the school and the main challenges or barriers your disadvantaged and vulnerable pupils face, and list some of these if appropriate
- Use evidence, such as learning from what works in your school, to inform your decisions on pupil premium spending
- Address a wide range of needs, and take group and individual needs into account
- Engage with parents to take their views on their child's needs into account
- Make sure the school uses its pupil premium as effectively as possible (for example, taking into consideration which interventions will be the most beneficial for your pupils, based on evidence)
- Integrate pupil premium interventions into the curriculum (you may want to detail what changes are needed to existing ways of working)
- Make sure all staff promote the principles and ethos of the pupil premium strategy

Some examples of how the school may use the grant include, but are not limited to:

- Providing extra 1-to-1 or small-group support
- Employing extra teaching assistants
- Providing extra tuition where needed - SATs booster classes
- Funding educational trips and visits
- Funding English classes for children who speak another language
- Activities to support aspiration of pupils

We will publish our strategy statement on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's [guidance on using the pupil premium](#) and using the templates on GOV.UK.

Our pupil premium strategy statement is available here: <http://www.smallwood.cheshire.sch.uk/page/statutory-information/100172>

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils between Reception and Year 6.

Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Pupils recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent October census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked-after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

5.3 Post looked-after children

Pupils recorded in the most recent October census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

5.4 Ever 6 service children

Pupils recorded in the most recent October census:

- › With a parent serving in the regular armed forces
- › Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent October census
- › In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces

- › Identifying the eligible looked-after children and informing the local authority
- › Making sure methods for allocating and spending ensure that looked-after children benefit without delay
- › Working with each looked-after child's educational setting to put together a personal education plan, agree how pupil premium funding will be spent to meet the need identified in this plan, and ensure the funding is spent in this way
- › Demonstrating how pupil premium funding is raising the achievement of looked after children

Virtual school heads are in charge of promoting the educational achievement of all the children looked after by the local authority they work for.

7. Monitoring arrangements
