

The Early Years Foundation Stage

# The Coppice Pre-School and Out of School Club

We are rural, friendly 24 place Pre-School and Out of School Club for 2-11 year olds. We are situated in a classroom within Smallwood Academy, which allows for a seamless transition to school and Out of School care in a familiar environment for the school's pupils. We have access to the school's large outdoor area and encourage outdoor play in all weathers.

We follow the Early Years Foundation Stage (EYFS) standards for the learning, development and care for children aged 0-5 years. The EYFS sets out seven areas of development which guide our engagement with your child's play and activities as they learn new skills and knowledge. Activities in the Pre-School room are planned to encourage development across the seven areas of learning and promote school readiness. We have excellent links with Smallwood Academy and our location within the school allows for a seamless transition to the Reception class.

We use an app called ParentZone to keep parents informed and encourage two-way communication between parents and the setting. Through ParentZone you are able to:

- View our observations and assessments relating to your child's development
- Add photos or observations from home
- Send comments to your child's key worker
- Request extra sessions
- View details about your account
